DEDICATION

Mrs. Sprague and Mrs. Northam pause in the hall to discuss some of their activities. Mrs. Sprague sponsors both the Glee Club and the F.H.A. while Mrs. Northam sponsors the Beta Club. We dedicate our 1964 Eagle to these two teachers who through their inspiration, understanding and sincere interest have done so much to guide us through our high school years.

The Senior Class
of 1964

PRINCIPAL'S MESSAGE

The school faculty would again like to commend all of those who have worked so hard to make the 1964 EAGLE a success. It is a tremendous task to select the most important happenings and events during your school life here at Parksley, but we believe you have tried to do your best and we want to congratulate you on a job which we feel has been "well done." We are humbly and sincerely contented if we have been able to help you in your undertakings while here at this school.

May we be permitted to use this space to give you this bit of "parting" advice: YOUR SUCCESS IN LIFE DEPENDS UPON YOU. We, as teachers, could only guide, direct, and encourage; the actual learning had to be done by you. Do the best you can with what you have and you need have no fear of failure.

Martha,
Best of luck, success
and happiness always
to a distant cousin and
friend. It's gonna be
a real experience taking
your place next year.

Always remember the
many wonderful times our
crowd has shared especially
at Clear City (500 bedsprings).
Take good care of yourself
but come back to see us.

Always,
Tommy Sue

Martha,
Best of luck to a real
well done. Man
always remember
the good times

the good one of

And this our life, exempt from public haunt,
Finds tongues in trees, books in the running
brooks,

Sermons in stones, and good in everything.

Well, here I am on cloud

in everything you do. Have fun

To use it like a giant.

These are the pages I so gloriously edited. Remember all the good times we have had together in P.H.S. Best luck in the future.

GRANDMA'S BEST YEARS

EDITORS' MESSAGE

We should like to express at this time our sincere appreciation to all who helped make this yearbook possible - to Mrs. Nicolls, our advisor, who gave so much of her time and energy and was a constant source of inspiration and encouragement to us - to the members of the staff, who worked so hard to meet the deadlines and to have all the materials in order - and to the advertisers whose financial assistance was invaluable to us.

On behalf of the Senior Class, we should like to express our deep reverence and love for our Alma Mater, Parksley High School. The memories of the experiences that we have shared within its walls and on its athletic fields will always be cherished by each of us, and the friendships we have made here will never be forgotten. And now that the time has come when we must walk from these doors for the last time, we would like to leave behind our yearbook, in which we have endeavored to record some of the highlights of the year. May it always be a source of happy memories of your high school days.
